20 **TO PETITIONER BRUCE ALLEN, IN PRO PER:**

21 **PLEASE TAKE NOTICE** that pursuant to 28 U.S.C. § 2254 and Rule 4 of the Rules
22 Governing § 2254 Cases in the United States District Courts, Respondent moves the Court for an
23 order dismissing the above-entitled action on the ground that Petitioner filed an untimely petition
24 beyond the one-year statute of limitations. This motion is based on the notice and motion; the
25 supporting memorandum of points and authorities and exhibits; and the pleadings, records, and files
26 in this action.

08-CV-1123 L (CAB)

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **INTRODUCTION**

3 In his Petition for Writ of Habeas Corpus, Petitioner Bruce Allen claims that the
 4 retroactive repeal of California Code of Regulations, Title 15, section 2817, in 1994, violated the ex
 5 post facto clause as applied to him. The Petition, however, must be dismissed because it is untimely.

6 **SUMMARY OF RELEVANT FACTS**

7 Petitioner is serving life without the possibility of parole following his 1983 conviction of two
 8 counts of first degree murder with use of a firearm and attempted murder inflicting great bodily
 9 injury. (Pet., p. 2.) At the time of his conviction, section 2817 of the California Code of Regulations
 10 provided that certain prisoners serving life without the possibility of parole would receive a review
 11 hearing within twelve years of their prison reception to determine whether they were suitable for
 12 sentence commutation. The Board of Parole Hearings (Board) repealed section 2817, effective
 13 January 19, 1994. Over thirteen years later, on June 18, 2007, Petitioner filed a Petition for Writ of
 14 Habeas Corpus in the Superior Court of Imperial County challenging the retroactive repeal of section
 15 2817. (Pet., Ex. H, p. 1.) Petitioner pursued his state judicial remedies by filing petitions for writs
 16 of habeas corpus in the California Court of Appeal and in the California Supreme Court, but the
 17 petition were ultimately denied by both courts. (Pet., pp. 4, 6.)

18 **ARGUMENT**

19 **THE PETITION IS BARRED BY THE ONE-YEAR STATUTE OF
20 LIMITATIONS.**

21 District courts may take an active role in summarily disposing of facially defective habeas
 22 petitions that do not support a finding that the petitioner is entitled to relief. Rules Governing § 2254
 23 Cases, Rule 4. A motion to dismiss is a proper response to such petitions. *Id.*

24 The Antiterrorism and Effective Death Penalty Act of 1996 (AEDPA) established a one-year
 25 statute of limitations for 28 U.S.C. § 2254 habeas petitions. “A 1-year period of limitation shall
 26 apply to an application for a writ of habeas corpus by a person in custody pursuant to the judgment
 27 of a State court.” 28 U.S.C. § 2244(d)(1). In habeas petitions that challenge decisions of
 28 administrative bodies such as parole boards, subparagraph (D) of § 2244(d)(1) applies and the one-

1 year limitations period starts to run from “the date on which the factual predicate of the claim or
 2 claims presented could have been discovered through the exercise of due diligence. 28 U.S.C. §
 3 2244(d)(1)(D); *Shelby v. Bartlett*, 391 F.3d 1061, 1066 (9th Cir. 2004); *see also Redd v. McGrath*,
 4 343 F.3d 1077, 1081-82 (9th Cir. 2003).

5 Petitioner claims his rights were violated by the Board’s January 19, 1994 repeal of section
 6 2817 of the California Code of Regulations. (*See Pet.*) Accordingly, the “factual predicate,” or the
 7 basis of Petitioner’s claims that his rights were violated, is January 20, 1994, when petitioner could
 8 have discovered that the section was repealed. At the latest, Petitioner discovered the factual basis
 9 of his claim in February of 1995, when Petitioner claims he should have received his initial review
 10 hearing under section 2817. (*Pet.*, p. 7.) Petitioner filed a petition for writ of habeas corpus in the
 11 Superior Court of Imperial County on June 18, 2007, over thirteen years after the date on which the
 12 factual predicate of the claim could have been discovered. Thus, the statute of limitations was
 13 exceeded, and the petition must be dismissed. 28 U.S.C. § 2244(d)(1).

14 CONCLUSION

15 Because Petitioner failed to bring this habeas action within the AEDPA one-year statute of
 16 limitations, the Petition is time barred and must be dismissed.

17 Dated: August 11, 2008

18 Respectfully submitted,

19 EDMUND G. BROWN JR.
